The Business of the 21st Century Amazon de Robert T

Great book for overall motivation and entrepreneur mindset, but seems strange coming from an author who has not been involved at all in what the book recommends (network marketing) when making his living.

The 21st Century Business Kantar Futures Kantar Futures

The business models that were developed in the 20th century emerged in a world of abundance, but the business models of the 21st century will have to contend with scarcity. If the business world of the 20th century was that of the limitless, open range, that of the 21st century is more like an ark cramped, delicate and confined.
