READ ONLINE Star Force series by B V Larson in PDF

review 1: I've been a fan of the Star Force series from book 1 and always eagerly await the next exploits of Kyle

Riggs. Although I can't find confirmation of this (not that I've tried that hard), I imagine this is the final book of the Star Force series based on how the story went.

Star Force Series 12 Book Series amazon com

Joined by a new supporting cast as well as favorites from the first nine Star Force books such as Marvin, Kwon and Hoon, this first volume of a new Star Force series delivers all the action and adventure readers have come to expect from BV Larson and David VanDyke. Read it first, or go back to Star Force Book One, SWARM, and experience the saga from the beginning.

Swarm Star Force 1 by B V Larson

Swarm is the first book in Star Force series, and it left me massively torn. On one hand, the book was entertaining. It was pretty pure pulp-military-scifi with giant robots and space battles and souped up space marines, and the basic premise of an alien invasion works well.
