Myths to Live By by Joseph Campbell Penguin Random House

Campbell stresses that the borders dividing the Earth have been shattered; that myths and religions have always followed the certain basic archetypes and are no longer exclusive to a single people, region, or religion. He shows how we must recognize their common denominators and allow this knowledge to be of use in fulfilling human potential everywhere.

Myths to Live By book by Joseph Campbell

"Myths to Live By" is one of those books which makes me wish I did not have to assign a star rating. For while it is, as the title of this review suggests, a very eloquent and powerful exposition of the Myth that forms the bones of our Psyche, Campbell clearly has some prejudices that make some of his points difficult to see.
