### **Candle in the Darkness by Lynn Austin Paperback Barnes**

This is the second Lynn Austin book I've read. I wasn't disappointed. Not only did I get a different perspective of a war I've studied some, but I also got a Biblical perspective on the war and in life. It really made me think. The Biblical comparatives were new to me. Give this book a try, but I will warn you, you might have trouble putting it down.
