Auto Sales Company Business Plan Executive summary

We have not listed the local used car lots in this business plan from customers who may come from the adjacent counties like Rock, Racine, or Waukesha. Generally, an auto sales and leasing company would like to target those customers of upscale demographics and who can afford the luxury car market even though some of the cars offered will be pre-driven.

Used Car Business Business Plan Reference For Business

Boji's is focused on new car sales. Miller offers new and used vehicles but are not very aggressive. There are three older used car lots in town that maintain a "B" license. Selling cars is not their main source of income. Very little, if any, priority is given to car sales.
