

[CATHOLIC BIBLE REVISED STANDARD VERSION](#)

RELATED BOOK :

The Holy Bible New Revised Standard Version Catholic

The NEW Revised Standard Version (NRSV) is almost a totally different translation, and contains changes that may not be appreciated by some people. The biggest difference between the NRSV and RSV is the use of "gender-inclusive language". Personally, I don't find this to be a problem, because if the text is meant to include both sexes then the appropriate words should be used to convey this in the translation. Overall, I think this adds to the accuracy of the translation.

Holy Bible Catholic Bible Revised Standard Version

The Revised Standard Version dramatically shaped the course of English Bible translation work in the latter half of the Twentieth Century. It is still the translation used in official Church pronouncements, and served as the basis for the scriptural text used in the Catechism of the Catholic Church .
