CEH Official Certified Ethical Hacker Review Guide Exam

This book is a decent overview. It is not the book you would use as your primary tool for getting ready for the certification, but it would be a great 'cram week' tool. I am using it as the 'text book' for an overview course I am teaching to a group of teenagers involved in the Cyber Security Challenges.

Certified Ethical Hacker CEH Certification EC Council

CEH takes the alternative approach defense in depth by attacking the systems. This is in sharp contrast to courses that teach defensive tactics alone. CEH imparts offensive tactics supplemented with defensive countermeasures. This ensures that the CEH professional can have a holistic security perspective of the organization.
