That I would not trust another to interpret for me. In 3yrs. of careful study I found out that Jesus was indeed the Messiah, the Christ. My associates still remind me to this day how I first preached the Chariots of the Gods, and sought to persuade them to this Mars approach. This is to my ignorance and shame.

Chariots of The Gods by Erich von D niken Goodreads

I think Chariots of the Gods was a wonderful and very informative book. Honestly, I have a lot more respect for Erich von Daniken than I do bloats like the so-called "genius" Stephen Hawking. At least Erich traveled to all of these destinations, done hands-on thorough research, and has proof of all of his claims.
