Chase the Wind book by Cindy Holby Thriftbooks

Book 2, Wind of the Wolf is not as captivating as books 1 and 3 but is so essential to fill in those middle years in the twins lives and all the problems they encounter. The last book Crosswinds is incredible..The close knit friends they've made go east to fight in the civil war and again the characters intertwine magically. There is no way to review this series to do it justice. Just buy them and read them. They will stay in your heart forever.
