### **Trail of Tears The Rise and Fall of the Cherokee Nation**

Cherokee Tragedy : The Ridge Family and the Decimation of a People (Civilization of the American Indian Series, Vol 169) by Thurman Wilkins. The tragedy of the Trail of Tears was that all the Cherokee leaders were trying to do what they thought was best for the tribe. It was, obviously, a no win situation. Ehle is much to skewed to one side over the other and this bias makes this book unfortunate. I do not recommend it.
