Filipino Chicken Barbecue Recipe Recipe Ni Juan

The Chicken Barbecue also requires a good marinade. Marinate your chicken for at least 12 hours to ensure maximum flavors when grilled. The marinade consists of soy sauce, calamansi juice, banana ketchup, salt, sugar, black pepper, and Sprite or 7-up. Mix the marinade well and pour over the chicken. The best chicken parts for the barbecue are the legs and thighs because they do not dry up when grilled. Poke the chicken with a fork to let the chicken meats absorb the marinade.

I grew up eating skewered chicken barbecue. Back then, there was a stretch along Zapote in Las Pinas that sells only this grilled chicken dish.
