### **China Syndrome The True Story of the 21st Century's First**

This book is to SARS what And the Band Played On was to AIDS. It is essentially a detective story about the discovery of the new virus, the initial cover-up (in China at least), and then the race to identify and prevent this deadly scourge.

### **China Syndrome The True Story of the 21st Century's First**

China Syndrome, an intensely compelling and unrivaled exploration of the first epidemic of the twenty-first century, explores how globalization, coupled with rampant development, is ushering in a terrifying new chapter in the history of human health.
