Amazing chocolate cupcakes recipe BBC Good Food

I needed a quick, tasty cupcake/fairy cake recipe for a school cake rota next day, not much time, and I chose these, because my usual cake recipe is quite risky in cupcakes. I made one batch, baked it for the right amount of time, followed the recipe to the letter. They came out breadly, bland and quite disgusting. Fortunately my brother eats pretty much anything, since we had a lot of spares. It didn't really help my baking reputation at school. I wouldn't recommend these at all.
