

## CHURCH OF LIES

## RELATED BOOK :

### **Church of Lies Amazon de Flora Jessop Paul T Brown**

"Church of Lies" is absolutely worth a read if you're interested in FLDS biographies and polygamy escape stories. Flora's devotion to the girls she helps escape is palpable, and her wry humor and acerbic wit provides some relief for the reader as they wade through the emotional turmoil. This is a book that is a short read and yet stays with you forever, and I highly recommend it.

### **Church of Lies by Flora Jessop Goodreads**

In Church of Lies, Flora Jessop tells the story of her upbringing in the fundamentalist polygamist sect, the FLDS, and how she escaped from it, and went on to help other women also escape. The book doesn't pull any punches, and tells the unvarnished truth. That makes it a bit difficult to read, as Jessop's upbringing was truly horrific. The strength of her character is inspiring, and her story is well worth reading. It offers encouragement to anyone in difficult circumstances.
