The Ember-the only city in the world, as far as the residents know. The sky is always black, and there are no stars or moon. If the lights fail, there is total darkness. And that's something that has been happening more often lately, the lights failing. Lina and Doon, two young residents, just out of school at 12 years old with their first jobs, discover that things in Ember are even worse than everyone thinks, and they try to discover a way out of the coming darkness.
