City of Screams James Rollins

Hey, you simply can not go wrong with a James Rollins book. I think I've read them all by now and they're thick books. I never liked SciFi before but if James Rollins writes it I will definately read it. Try one of them and you'll be addicted too. Any of them - doesn't matter. He's just a genius.

City of Screams by James Rollins Goodreads

A short story to introduce co-writer Rebecca Cantrell no doubt. I read it because I'm a James Rollins fan, but this is not a James Rollins work. It's a short story so I didn't expect much substance, and it met my expectations.
