### **What is the difference between classical and contemporary**

Calhoun draws a line in the 1960's between classical and contemporary social theory, as he argues that it was the period where the historical context of sociology had changed the most. The events of the 1960's 1970's (Vietnam, Third world, Cold War, gay rights, environment) reshaped what the social scientists saw as being most important in the world. They thus started to work on themes such as
