### **Cloud of Unknowing Christian Classics Ethereal Library**

Cloud of Unknowing documents techniques used by the medieval monastic community to build and maintain

that contemplative knowledge of God. Scholars date the anonymous authorship of Cloud of Unknowing to 1375, during the height of European monasticism. Written as a primer for the young monastic, the work is instructional, but does not have an austere didactic tone. Rather, the work embraces the reader with a maternal call to grow closer to God through meditation and prayer.
