Yet, until now, the Comanche empire has gone unrecognized in American history. This compelling and original book uncovers the lost story of the Comanches. It is a story that challenges the idea of indigenous peoples as victims of European expansion and offers a new model for the history of colonial expansion, colonial frontiers, and Native-European relations in North America and elsewhere.

### **The Comanche Empire by Pekka Hamalainen Goodreads**

As another reviewer pointed out the author does an excellent job of telling the history of the Comanche Empire and the peoples they interacted with without demonizing any of the sides. The significance of this book is placing the Comanche people in an imperial context and explaining why that is appropriate.
