Communication Principles for a Lifetime Steven A Beebe

'The five basic principles give the book cohesiveness. Each chapter is clearly related to the overriding principles of effective communication stressed in the text. The more I read, the more I appreciated the effectiveness of this organizational strategy.' -Carol L Hunter, Brookdale Community College.

Communication Principles for a Lifetime 9780134553528

Overall this was a short text (as far as pages go) and was for a winter session class so it served that purpose. The instructor used the exercises as dictated in the text assignments. Not a keeper as this was a general ed. course not a major requirement but was an easy read for an intro. to communication subject. Chapters were easy reads as related to the tests given by the instructor so the author did a good job in that respect.
