The Complete World of Greek Mythology by Richard Buxton

You really can't go wrong with Greek mythology, and this book will give you lots of characters and stories. I got this book from the public library, so there's not a lot to crow about. There are some boring parts, but if you're looking for a quick rundown, this is a good way to go.

The Complete World of Greek Mythology Complete Series

Bought this as really wanted to read up on Greek mythology. So many businesses have mythology-related names - Argos, Hermes - and I was interested to learn about something not routinely covered at school. The book is very well illustrated and very informative.
