Computers For Seniors For Dummies For Dummies Computer

He doesn't know much about computers so I had to explain a lot to him whenever I wrote about my computer, which I use a lot. He says the book has taught him a lot, so I don't have to explain many computer things to him anymore. I suspect it would be equally helpful for anyone who knows little about computers. My friend isn't a "senior," but the description of this book was closest to what I was looking for for him.

Computer f r Senioren f r Dummies Amazon de Nancy Muir

Wie fast alle For Dummies Buecher ist auch dieses gut aufgeteilt und unterhaltsam zu lesen. Ich habe es fuer eine Freundin gekauft, die ueberhaupt keine Ahnung hat von Computern und ich denke, dass ihr so nebenbei doch die Grundbegriffe klar werden, ohne sich total 'vertrottelt' zu fuehlen. Es waere schoen wenn einige der absoluten Grundaktionen die man machen kann noch ausfuehrlicher beschrieben waeren, aber es ist ein guter Einstieg fuer Senioren.
