### **My Top Ten Books on Peacemaking Conflict Resolution**

This book provides a profound analysis of both the nature of conflict and resolution. It gives a broad overview of issues and describes helpful models and paradigms. Mayer describes this book as a practitioner's guide. His use of case studies does make it a valuable resource for practitioners. But I would describe this book as a theoretician's guide as well. Its primary strength is helping the reader think more deeply about peacemaking issues.
