The Darth Bane Series by Drew Karpysyn Goodreads

Darth Bane does away with the "old Sith" during the battle of Ruusan and culminates into the "thought bomb" that decimates both Jedi and Sith. With all the Sith destroyed, he implements his "rule of two" that stays the same until Vader/Sidious. A really awesome series and difficult to put down.

Review of The Darth Bane Series by Drew Karpysyn

Keep ing up with the current Star Wars craze, this is one of my favorite novels set in that universe. Though it may be a Legends story now, Darth Bane himself remains canon and hopefully one day this book will be too.
