The City Amazon de Dean Koontz Fremdsprachige B cher

Dean Koontz tries to tell us the story of the young Jonah Kirk (with seven more names between his first and last name) in an exciting way, but for me it is only a try. ^The story just drags on and no real thrill shows up. For my opinion, Koontz would tell us a story in a Stephen King way, but never as good as King could do this. I was not surprised and not astonished by THE CITY. Just a book to waste time.
