10 Oddball Things To Make You Believe In An Afterlife

(Studying near-death experiences, or NDEs, is about as close as we can reasonably come to studying death or the afterlife, so they'll feature heavily on this list.) Very specifically, he reports that there is almost no chance these memories of white lights and tunnels and so on took place immediately before or after brain death; and that the idea of this being some sort of a low-level brain activity is utterly ludicrous. In other words, they should be impossible.
