### **Death by Food Pyramid A review Dr Hoffman**

Death by Food Pyramid chronicles how well-meaning but myopic scientists found their recommendations subverted by agribusiness interest groups. The key problem: The USDA has conflicted missions. On the one hand, we look to the USDA to encourage a healthy diet; on the other hand, its primary purpose is to encourage U.S. agriculture, inextricably intertwined with profit motive and consumption. The two agendas are often irreconcilable.

All has been quiet on the Raw Food SOS front lately, but that doesn't mean there aren't shenanigans-a-plenty brewing backstage. The recent silence here is mostly because I'm spending 22.5 hours a day finishing my upcoming book Death by Food Pyramid, which should be available towards the end of this year.
