Death in Yellowstone Accidents and Foolhardiness in the

Death in Yellowstone was saddening, but also very comical. The deaths were humorous because of how dumb they were. Many of these deaths were about idiotic people jumping into hot springs or aggravating bears, but some you could find sympathy. Other deaths were just rumors, and others were just injuries. Overall, this book explained many kinds of hilarious and sad deaths.

Death in Yellowstone Accidents and Foolhardiness in the

"Death in Yellowstone" by Yellowstone National Park Historian, Lee H. Whittlesey, does have the footnotes and bibliography. It also reads like a Stephen King novel, drawing the reader to the next page. Whittlesey even used a King technique of quoting song lyrics or some other source to introduce his chapters. Even many of the footnotes and bibliography entries are annotated with additional, interesting information.
