

## [DEATH ON BLACKHEATH](#)

## RELATED BOOK :

### **Death on Blackheath Charlotte Thomas Pitt 29 by Anne**

"Death on Blackheath" is just shy of perfect, thus four stars instead of five. There's a slight lack of continuity from earlier Pitt novels, but not enough to make me unhappy. It was an excellent read (two sittings) and held my interest throughout.

### **Blackheath London Wikipedia**

The idea that Blackheath got its name from its use as a burial pit goes all the way back to the medieval period, when it was almost certainly used for the disposal of the dead during the Black Death . Virtually every part of London has a local tradition about plague pits under, say, a local school or shop. Certainly they were very common. The sheer number of bodies meant that the traditional churchyards became, as one contemporary put it, overstuffed very quickly.
