Deity.Oh my god.It's officially my favourite read of 2012! It's just phenomenal! I'm in shock, I'm amazed and I'm in awe by Jennifer's work. She has a way with details that leaves fire running through you're body and has you sitting on the edge of you're seat with excitement. Deity had everything I could have wanted from a book and more, it's an extremely fantastic read.
