

[DELIVER US FROM EVIL THE BOOK](#)

RELATED BOOK :

Deliver Us from Evil A Shaw 2 by David Baldacci

Ok, so I didn't enjoy this book as much as other Baldacci books. I knew it would be darker - it is called "Deliver Us From Evil" and is about an x-KGB guy who killed and tortured 100,000's of people during the cold war, and then escaped before he was captured, and became a business man dealing in human trafficking.

Deliver Us from Evil 2014 film Wikipedia

On December 7, the film was retitled from Beware the Night to Deliver Us from Evil. The film features a completely original plot by Derrickson and co-writer Paul Harris Boardman, while it draws on certain passages of Sarchie's book. Mendoza's explanation of primary and secondary evil is culled from the book's preface.

Deliver Us From Evil Enhanced Edition Shaw and Katie

The book's strength is its as compelling a portrayal of a horrifying villain as I remember in recent years. If you are a sensitive person, this book will upset you . . . as it's intended to do. The portrayal of Evan Waller loses its punch in the book's second half, and the plot seems anemic without it.

Deliver Us from Evil by Robin Carroll Goodreads

On the surface (and much to my concern), Deliver Us From Evil feels like it is going to be the same as Rooms - a Christian thriller that forces a reader to explore one's faith. However, Deliver Us From Evil deviates from the focus on faith and instead is a highly informative, more believable suspense.

Deliver Us from Evil Shaw Series 2 by David Baldacci

"Deliver Us From Evil" doesn't disappoint, the author does know how to take a detour from the main plot and convert it to one exciting and dangerous human hunt. I like the beginning of the story, and I have to say that the ending doesn't fall short either. The characters are well developed through the entire book.
