### **Deryni Rising by Katherine Kurtz Goodreads**

"Deryni Rising" was quick and fun to read (it only took my a day and a half to get through, and that's with a one year old around). The story is straightforward and there's no real depth here, but the characters were likeable and the world has the potential for more interesting stories.

### **Deryni Rising Wiki Everipedia**

Deryni Rising was the first of Kurtz' Deryni novels to be published, though some of her later works served as prequels, detailing events that occurred before the time period of Deryni Rising . As a result, the storyline of the Childe Morgan Trilogy immediately precedes Deryni Rising , despite the fact that it was published over thirty years after the first novel.

### **Deryni Rising Audiobook by Katherine Kurtz Audible com**

The number of Deryni was small, for they had been hounded for generations and kept their identities secret. Those who managed to retain their arcane powers concealed their background - for bitter persecution once again swept the land of Gwynedd, inspired by a raving fanatic sworn to destroy all Deryni in a final bloodbath.
