Desperate Hope for the Mom Who Needs to Breathe by Sarah Mae

I too am desperate to stay afloat in a wide ocean of little people needs. Like Sarah, I long to be surrounded by older women who have gone before me, are comfy in their skin and can tell me "this is a season, you can make it through, put on your big girl undies and rise to the challenge". This book responds to that penury of older voices.

Desperate Reader The Books I came home to

Happily life isn't all work, and just before I left a couple of really good looking review books had turned up - I didn't have much time to look at them properly before I went so I knew they were something to look forward to.

Desperate Hope for the Mom Who Needs to Breathe Sarah

This book helps direct you exactly where you need to go for sustenance--to your Heavenly Father. I gave this a 4 out of 5 because I felt like there was some guilt sewn into this book for moms that work outside the home. It was not overt, but an undertone. Overall, I feel this book is a great resource for the desperate mom.

Desperate Cunningham Security Series Book 3 Kindle

I am going to try my best to put into words how much I loved Desperate. I loved Dom in all the other books he made appearances in. You could tell that he was so caring and compassionate in those stories.

Joaquín Font. There are books for when you're bored. Plenty of them. There are books for when you're calm. The best kind, in my opinion. There are also books for when you're sad.

Desperate Reader The Books I Bought Home

My holiday book shopping was quite restrained, not least because it would have been very tempting just to buy a ton of cookbooks (it didn't seem very sensible, but it was tempting), restraint aside I'm really pleased with my finds.
