Crunch Time by Diane Mott Davidson Goodreads

Diane Mott Davidson's "Goldy Bear Culinary" mystery series is one of my early favorites, and I'm sad that the author isn't writing anymore. There were about 20 books in total, but this review is for #16, Crunch Time. This was the second or third cozy mystery series I took on, and only the second where I've been able to finish reading all books. (LJB's "Cat Who" series is the other one).
