### **Hard Luck Diary of a Wimpy Kid Book 8 Kindle edition**

But I kinda think the author is running out of ideas since this is the 8th book and all. It doesn't have very much suspense, though. And, that's the biggest thing I look forward to into a book. So, if you like the Diary of a Wimpy Kid series, I think this might be okay to read. Thank you for reading my opinion of this book.
