RELATED BOOK :

Directing Actors Creating Memorable Performances for Film

Directing Actors is an excellent book. I learned quite a bit. I highly recommend it to all types of directors or aspiring directors. A lot of the methodology can be applied to other leadership positions as well. Aside from film specific lessons, it gets into the psychology of working and directing people in general.

10 Books that Will Change Your Directing Neptune Salad

So first things first. Directing is about DOING the job - it's hard to get very good at it by sitting by one's self and reading a book or even taking a class. Even a great class. Directing is a collision-based learning system. You've got a piece of text, some actors, designers, and technicians, a

Popular Directing Books Goodreads

Not actors performers. Because when it s time to prepare, you work out every nuance of a role. When it s time to step in front of the crowd, you reach out and pull them in with both hands. When it s time to say your lines, you deliver them with skill and meaning. That s performance. And there s nothing phony about that. There s nothing pretend about that. There s no acting that will take the place of that.

Directing Actors by Judith Weston Goodreads

Great book on how to direct film actors. It gives step-by-step instructions and a long list of "action" verbs to use when directing. I followed this book's advice and used some of its verbs to direct my film's actors with great results. Easy to read and great appendices.
