### **The Disability Studies Reader by Lennard J Davis**

Phenomenal reader for Disability Studies / Sociology of Disability. I used this for myself as a companion to Davis's more undergrad-friendly primer on disability studies. I assigned some of the articles to supplement the primer, and read a lot more to enhance my understanding and to add to lectures. Using these two books this semester helped make my course the best it's been.

### **Disability studies Wikipedia**

In the 1997 first edition of the "Disability Studies Reader" Lennard J. Davis wrote that "it had been virtually impossible to have someone teaching about disability within the humanities". In the second edition, written ten years later, he writes that "all that has changed", but "just because disability studies is on the map, does not mean that is easy to find".
