Discovering Statistics Using IBM SPSS Amazon de Andy

Andy Field versteht es wie kein anderer, auf verst ndliche und sympathische, oft witzige Art und Weise die Statistik-Welt zu erkunden, ohne dass man sich berfordert oder gelangweilt f hlt. Ich musste beim Lesen oft lachen, ber Statistik! Das sagt schon einiges aus ;-).

Discovering Statistics Using SPSS by Andy Field

Discovering Statistics Using SPSS is an amazing tool that I discovered in 2011. It is very engaging - using simple and straightforward language for complex statistical concepts. It looses a star as I find it less useful as a reference for regressions which I think is a shame. Otherwise I can only say that this textbooks is a constant companion in my day-to-day work and I recommend it to anyone who uses SPSS for the purpose of data analysis.
