Best Domestic Violence Abuse Books 137 books

Review: This book is a definite page turner and quite entertaining. It gives a first hand account of how easy it is to get caught up in the cycle of domestic violence while offering a glimpse into the mindset of a courageous woman who has lived through it. The author vividly describes the hell that women go through in an attempt to find love.

Domestic Abuse is all too common. It happens to women and it is done to men. To recognise yourself as a victim is the first step, to get out of the relationship is the second. I have gone through the process of abuse. It is a process in which one person is worn down by the other until they virtually accept anything, and being aware is protection.
