Because it's Dr. Seuss I gave it 3-Stars but the book quality alone, I'd give 2-Stars. I don't understand some of the reviews on this book as some ppl say it's a small book, while others say it's a pop-up book. Mine is a very large, hardcover book with NO pop-ups. Confused as to why mine seems to be the only review regarding the pages not being flat & crisp.
