Doctor Who Lights Out Twelfth Doctor Twelfth Doctor

This is part of the 12 Doctors short story series in honor of the Doctor Who 50th anniversary. The story was a fun, quick read and I especially enjoyed since Clara Oswald wasn't in the story. I'm over Clara. This was a mystery short story, but as Whovians know the Doctor has no problems figuring out who and why then taking care of the situation. For Doctor Who fans and especially, fans like myself, of the 12th Doctor this is worthy read.
