OPINION: I liked OUTLANDER, but I liked DRAGONFLY IN AMBER more. OUTLANDER was about  
Jamie and Claire discovering one another and falling in love. This book is about letting their love and marriage  
mature. In OUTLANDER Jamie and Claire ran the gauntlet of danger. This book is a slow burn. Things are  
quieter, more outwardly civilized and yet even more complicated and dangerous. Politics, society and intrigue  
take up the majority of this book.
