I started reading this book on Stephen King's 70th birthday. He himself said that this is his favourite of the books he's written. I can see why he says that. It's beautifully written, with deeply human characters. I'm enjoying it very much and am looking forward to reading more.

Duma Key by Stephen King

DUMA KEY BY STEPHEN KING: Most Stephen King fans will admit that the last couple of novels by the international bestselling author, while selling well, have been somewhat lacking coming from the renowned horror writer; one might even go so far as to use the term mediocre, and don't get me started on Cell.
