Nice recipe. Pipes well. Regarding the number of cupcakes this will frost, I went with the advice from the review that indicated that this recipe would easily frost 24, though I did add another 4 tablespoons of butter. Still, keeping in mind that we have different ideas about how much frosting a cupcake should have (I piped something a little less than a 'fancy bakery' cupcake), I ran out, leaving the last 6 pretty skimpy on icing. I recommend, from my experience, to double the recipe for 24.
