A History of E Books History Cooperative

A Electronic Book or E Book as they are universally known is a text-based publication in digital form. While they may contain images and graphs of some kind, mostly their formats lead them to be text-based. E books are designed to be read off an electronically compatible device either an IReader, a Kindle EReader, tablet or personal computer.

E book Wikipedia

An electronic book (or e-book or eBook) is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
