

[ECHOES OF MY SOUL](#)

RELATED BOOK :

Echoes of my Soul by Robert K Tanenbaum Goodreads

I have long been a fan of this author & have read all of his book in the Butch Karp Series. I love that series & how he makes the Karp family so much a part of the story line. But back to Echoes of My Soul. This book not only entertained but also educated, I found it so interesting to learn what lead to the Miranda as we know it today.
