

EFFECTIVE WRITING IN PSYCHOLOGY

RELATED BOOK :

Effective Writing in Psychology Papers Posters and

Effective Writing in Psychology strikes an effective, accessible balance between psychology students' need to learn the technical aspects of scientific writing and the recognition that scientific writing need not be dull and lifeless. Barney and Agatha Beins care about students and about good writing; that care shows in this fine student manual.

Student review Effective Writing in Psychology Papers

This makes it especially useful as a step-by-step guide for new undergraduate psychology students writing their first paper. The authors use simple and engaging language, frequently explaining the importance of following American Psychological Association (APA) style and choosing sources, planning and writing carefully, while showing how the two skills link together to result in effective communication.
