Elephants Can Remember Wikipedia

Elephants Can Remember is a work of detective fiction by British writer Agatha Christie, first published in 1972. It features her Belgian detective Hercule Poirot and the recurring character Ariadne Oliver. This was the last Christie novel to feature either character, although in terms of publication it was succeeded by Curtain: Poirot's Last Case, which had been written in the early 1940s but published last. The novel is notable for its concentration on memory and oral testimony.
