Ender's Game series Wikipedia

Starting with Ender's Game, five novels (also known as the "Ender Quintet") have been released that tell the story of Ender. Card first wrote Ender's Game as a novelette, but went back and expanded it into a novel so that he could use Ender in another novel, Speaker for the Dead.

The Ender Quintet Ender's Game Bk 1 by Orson Scott Card

One of my favorite books. Orson Scott Card's main gift is character development, which you can see in the Ender series. I love how in this story you feel like you really get to know and understand the characters, especially the main ones, but some of the minor too.
