The Enneagram Made Easy Goodreads

The Enneagram Made Easy is a good introduction to the Enneagram. The questionnaires hit the "high points" for each number. The descriptions for the numbers seem in line with other books on the subject. and since they're grouped in list form they're very easy to read through and understand.

How The System Works The Enneagram Institute

From one point of view, the Enneagram can be seen as a set of nine distinct personality types, with each number on the Enneagram denoting one type. It is common to find a little of yourself in all nine of the types, although one of them should stand out as being closest to yourself. This is your basic personality type.
